18 At the June 3, 2019 Status Conference in this matter, counsel for the Walker River

20 Nevada State Engineer and the California Water Resources Control Board from the  
21 requirements of paragraph V on page 8, lines 17-22, of the Amended Order Concerning Service  
22 Issues Pertaining to Defendants Who Have Been Served (the “Amended Order”) (ECF #1650),  
23 which paragraph requires each of them to provide updated water right ownership information to  
24 the Court and the Plaintiff Parties. In light of the provisions of the Amended Order concerning  
25 continuation of the action against previously served defendants, the procedure for substitution  
26 of parties, and the completion of service of process, and there being no objections made by any  
27  
28

1 party, including the United States and the Walker River Paiute Tribe, that requirement of the  
2 Amended Order is no longer necessary.

3 GOOD CAUSE APPEARING, paragraph V at page 8, lines 17-22 of the Amended  
4 Order (ECF No. 1650) is vacated, and

5 IT IS HEREBY ORDERED THAT the Walker River Irrigation District, the Nevada  
6 State Engineer and the California Water Resources Control Board are no longer obligated to  
7 provide updated water right ownership information in this matter.
